About the FDP:

Course Objective:

Due to COVID 19, teachers are faced with a daunting task to conduct classes. There are several ways teachers can utilize the technology and resources already available to support online learning and ensure students still receive a quality education. To design your class interesting and to unleash the advantages of educational technology – may it be a complete online or blended, this program will take you on a journey of "New Era Teaching". In this FDP we will explore how online learning takes places, how to design your lesson, using various online tools for conducting activities and tracking the performance of the students.
Course Outcome:

At the end of the programme teachers will be able to:

➢ Understand online teaching & learning methods, platforms, tools, and resources

➢ Design lesson plan for online learning

➢ Track the performance of the students using various online tools

➢ Database creation using online tools

Who can apply ?

The FDP is open to Faculty members (Regular/Ad-hoc/Temporary) from any Indian University / College and Ph.D. Research Scholars.
